Notes:
 1. Data listed herein is for reference only and does not imply warranty to the led strip or power supply. Xicato recommends consulting with power supply manufacturers to determine compatibility. Data above only suggests initial electrical compatibility and does not guarantee performance over life. Xicato recommends independently verifying all relevant performance parameters.
 2. Maximum strip length values do not account for voltage drop within the LED strip itself or voltage drop from wiring between the strip and the power supply. Maximum strip length value does not guarantee uniformity in lumen output or color across entirety of LED strip.
